

Please join us for the 11th Annual Su Voto Es Su Voz Golf Classic and support Southwest Voter Registration Education Project's 36 years of service as the largest and oldest civic voter participation organization in the nation.

SVREP continues to persevere at the difficult and challenging task of registering Latinos to vote and turning them out to vote on Election Day. Proceeds from the golf tournament will go toward launching the task of voter registration/education and get out the vote effort that should yield unprecedented voter-turn-out numbers in the upcoming 2010 local election cycle.

Today Latinos enjoy the largest growth in political power. For the 2008 elections, Latinos were registered at 12 million. This election cycle proved to be an extraordinary year for SVREP, contributing to the goal of ensuring that 10,000,000 Latinos cast their vote in California, Arizona, Colorado, Florida, New Mexico, Nevada, Washington, and Oregon. You helped us accomplish this goal. Together we can continue to do more.
